

GET READY TO PARTY - MARY KAY STYLE!

TO BEGIN YOUR PARTY PREP, set your binder up for presentation. (It transforms into a trifold!) The *Mary Kay*® logo should be facing out where your guests will be, and a blank pink panel will be facing you. Open the binder rings, and slide the pages onto the pink panel – which should be facing you. When you flip this page over, the checklist should be facing you and HELLO, BEAUTIFUL should be facing your future audience.

CHOOSE THE PRODUCTS YOU'D LIKE TO DEMONSTRATE from the color-coded product sections.

REVIEW THE ESSENTIAL INFORMATION such as key ingredients, formula benefits and sample dialogues provided on the product pages.

KEEP YOUR PARTY UNDER 45 MINUTES, and make sure that product demonstrations stay under 15–20 minutes.

MAKE THIS YOUR OWN! Dialogues are suggestions only, so feel free to apply your personal style.

HERE'S HOW THE FLIP CHART WORKS:

The Flip Chart includes dialogues and prompts to help you confidently hold any type of *Mary Kay*® party you desire. You will always begin a party with the OPENING section and end a party with the CLOSING section. The Flip Chart is divided into the five color-coded sections shown below:
