

# HONORING WORKING WOMEN

## HOW IT WORKS

*Honoring working women is simply walking around to small businesses and office buildings and handing out flowers and a treat to all the women in the office and allowing them to enter into a drawing for a beauty session and gift certificate.*

## MATERIALS NEEDED

- *Drawings Slips*
- *Pens*
- *Flowers and Dove Chocolates (Can do real flowers or wooden roses)*
- *Cute basket or tote bag to carry everything in*

## HOW TO DO IT

*This is a great way to meet women and can be done over your lunch hour to businesses surrounding your work. It's a good idea to dress professional and put on your best Mary Kay smile!*

*As you walk into a business to the front desk, etc hand out a flower to the first woman you see and say "I HAVE A FLOWER FOR YOU! COMPLIMENTS OF MARY KAY! I'm honoring working women in the community today!! I also have a fun treat for you (Let her pick a chocolate)!*

*Then say "I'm also doing a fun drawing for women in this business complex for some Hydrogel Beauty Sessions and gift certificates! Here are some slips for you."*

*Just hand them the slips and they will fill them out vs. "will you fill them out?"*
